This story takes place in a very special themed park: a Zoo-hospital. Here, the animals are cured by Uncle Mario who is a veterinarian specialist. As the animals play, sing and have so much fun in the park, they decide to stay even once they have cured. At the Zoo, you will find Pedro, Mario's son, and his two cousins, Mia and Teo. The kids use the Zoo as a great playground in search of new fantastic stories.

THE PUPPETS OF THE FARM

"Your attention please! The puppets from Zenon's farm are coming!"
The main characters of "Zenon the Farmer" become the funniest puppets in this fun spin-off with its own rules and an incredibly beautiful esthetic that combines puppet theater and moving illustrations. Zenón, the farmer, the loyal parrot Pepe, the funny rooster Bartolito, the wise Vaca Lola and the mischievous wolf Beto are here taking part in a fun show for the whole family. It will be unforgettable! In each episode is going to be a fun story that will leave substantial teachings for kids, such as: taking care of personal hygiene, discovering of nature and understanding the importance of caring for our planet, learning about vowels, colors and numbers, respecting others and diversity, working as a team, playing sports and living a healthy life.
